Newbold on Avon RFC welcome players, officials and spectators of Bugbrooke RFC

Welcome from the Chairman….

A very warm welcome to Parkfield Road for today's fixture, I would like to extend a special welcome to today's visitors, Bugbrooke RFC, along with their players, coaches, committee members, and traveling supporters. We look forward to a fantastic, hard-fought afternoon of rugby and sharing a drink with you in the clubhouse after the final whistle.
Last weekend was a weekend defined by monumental work rates and pride in the shirt across the board:

- First XV: Put in a massive effort away at Oundle. Against a fierce and well drilled opposition, the boys dug incredibly deep and showed the true Newbold spirit from start to finish, although coming away with a 55-12 defeat, the lads remained upbeat after the game and will no doubt be looking to get back on track this afternoon
- The 94s: Delivered a determined performance at Parkfield Road at home to Bedford Athletic, showcasing the brilliant depth and determination we have running through the club right now. Although short on numbers, they still managed to grab a losing try bonus point despite coming away with a heavy 66-22 defeat

Although two heavy defeats, both sides remain in contention in their relevant leagues, and will im sure be looking back to getting back to winning ways.
A massive thank you must also go out to everyone who made the trip to support the First Team away at Oundle last weekend. The fantastic traveling support created an incredible atmosphere and truly felt like a sixteenth man on the pitch.

MATCH DAY DISCIPLINE & RESPECT
As we look ahead to today's fixtures, a quick but vital reminder to all players, coaches, and spectators: we must respect the officials. Match officials give up their time so that we can play the game we love. Without them, there is no rugby. Please ensure our core values of teamwork, respect, and discipline are upheld both on the pitch and from the touchline.

The spectacular Newbold on Avon RFC Annual Bonfire Night takes place this Sunday, 8th November.

- Gates Open: 4:00 PM
- Bring the family down for what promises to be a fantastic evening of fireworks, food, and community spirit. See you all there!
